☐New Agreement ☒Revised Agreement

Agreement Description and Rationale:
Students complete their associate degree at Fox Valley Technical College and then transfer to UW Oshkosh to complete the bachelor's degree in education as planned within this collaborative program. This agreement is being established to expand educational opportunities for graduates of Fox Valley Technical College and to strengthen the educational partnership between UW Oshkosh and the Wisconsin Technical College System (WTCS). The agreement also meets the workforce needs of the K12 education system.

Admission Requirements/Conditions Specific to this Agreement:
The terms of this agreement apply only for the purposes of entry into the Bachelor of Science in Education degree in Technology and Engineering Education at UW Oshkosh. Students admitted to UW Oshkosh under the terms of this agreement who subsequently elect to pursue a degree and/or major other than the Bachelor of Science in Education degree in Technology and Engineering Education will find that the extended transfer of credit does not apply outside of this program.

Students from the above-mentioned Wisconsin Technical College must have successfully completed the Associate of Applied Science program listed above (fulfilling all coursework stipulated therein) with a cumulative grade point average of at least 2.5/4.00 for consideration for transfer under the terms of this agreement. The terms of the agreement do not apply to students who have completed only a portion of the required course work for the associate degree.

Articulation Transfer Agreement Terms:

The terms of this agreement apply to Fox Valley Technical College students who successfully complete the Career and Technical Education Instruction associate degree; meet the admission requirements set forth below for UW Oshkosh; and enroll in the Bachelor of Science in Education degree in Technology and Engineering Education.

A transfer course/credit articulation table illustrating the list of courses the student must complete to earn the Bachelor of Science in Education degree in Technology and Engineering Education at UW Oshkosh; course/credit requirements fulfilled at Fox Valley Technical College; and courses the student must be taken at UW Oshkosh may be found in Appendix A.

Students must meet the following requirements to confer the Bachelor of Science in Education degree in Technology and Engineering Education at UW Oshkosh.

- A minimum cumulative GPA of 2.5 or above.
- Satisfactory completion of the degree credit requirements listed in Appendix A.
- Completion of the last 30 credits in residence at UW Oshkosh

Additional coursework completed at Fox Valley Technical College may be transferrable to satisfy UW Oshkosh general education or breadth requirements. These courses are listed in Appendix A or are searchable through the UW System Transfer Information System (TIS) Wizards (https://www.wisconsin.edu/transfer/wizards/).
